lit - tle plot of ground Where the green grass grows all a - round, all a-round. The roof's not worn or

39
bad - ly torn nor tum - bled to the ground Just a real cool place and it's

43
built way back A - bout twen-ty-five feet from the Hill-crest track Lin-gers on my mind most

47
all of the time Keeps call-in' me back to my lit - tle grass shack. I'd be just as sas-sy as a

51
Mus-tang Las - sie If I were a king it would-n't mean a thing With the boots so tall and the

55
writ - in' on the wall And it would-n't mean a thing. NOT A DOG-GONE THING! There's a

58
chick wait-in' there with a T-Bird spare Just blow-in' her top for me to get there

62
Look-in' all a-round and a - rock-in' with sound 'Cause I got-ta get back to my Mus-tang town.
