

Iteration 1 Plan:

- Set up database
- HTML and CSS for site
- Server authenticated Log In
 - Also web side log in verification of email and password length
- Register New User
 - First Name
 - Last Name
 - E-mail
 - Password
 - Verification of E-mail address (make sure it is an e-mail address), and verify password meets criteria (numbers, letters, and set list of symbols only)
- Create a new band
 - go through steps of band creation
 - will NOT be able to upload PDFs yet
